Introduction

The following information provides data on all (academic, senior and support) staff recruited during the period August 2021 – July 2022. The data is provided by the following protected characteristics: disability; ethnicity; sex; religion or belief; and sexual orientation. For each protected characteristic, the data is broken down by the following three stages of the University’s recruitment process: application; shortlisted; and appointment.

During the period August 2021 - July 2022, 6,034 applications were received for positions at the University of Huddersfield. Of these applicants, 1401 were shortlisted and 378 appointed. The average days from advert to offer was 56 (59, 2020-21) and the average number of applicants per vacancy was 13 (26, 2020-21).

Data are rounded to the nearest whole percent and therefore may not always total 100%.
